Removal of the Image File Wrapper Posted in the Web. for the above listed Application.

This is to request the immediate removal of the Image File Wrapper Folder from the Web page/USPTO, which contains all correspondence of this patent application. The Transaction History Folder also listed in the same Web page is enough to show the history of transactions with headings for this application.

We request that the removal of the Image File Wrapper for this Application takes effect immediately.

Posting of the correspondence in the Web is totally unnecessary, and is not related at all with the content of the Patent Application itself. Also, it does not serve any benefits for the Inventors.

If you have any questions on this please, call the inventors at tel&fax: 818-892-4238. Correspondence should be sent to the above address. We look forward to hearing soon.
